~~~~~  
I am the Bucktooth Pelican and I have gotten so many questions asking who I am and what am I doing! Who I am is not important. If you want to read my story, that is available on my website. What is important is my mission. It is simple and it is reflected in my motto: "Edisto Beach ~ Where tradition continues and memories are made!" Traditional family values where a family can enjoy a memorable vacation without all of the distractions of a commercial beach.

I would like to thank all of my friends on Facebook and the people that have visited my website. Since it was launched on March 14, 2010, more than 3,200 people have visited my website and more than 1,300 people have befriended me on Facebook. Thank you! That in itself is a testament to how many people love Edisto Beach!!!

I want to make clear that I am not in this for financial gain ~ as a matter of fact, over \$15,000.00 dollars in time and money have been expended on this expedition ~ and it has been worth every single penny with not a dollar of profit earned, and that is ok! It is my pleasure to conduct Weekly Drawings and Random Giveaways promoting Edisto Beach, and the responses have been wonderful! My only goal is to promote Edisto Beach in a responsible manner as the best place a family can enjoy a memorable vacation and create memories that last a lifetime.

In the future, I plan on doing whatever I can to further promote my mission statement, to keep Edisto Beach safe and clean for generations to come. Please feel free to assist me with your ideas! I need your help and appreciate your comments and suggestions~! Please feel free to email me at [BucktoothPelican@aol.com](mailto:BucktoothPelican@aol.com) and visit my website at [www.BucktoothPelican.com](http://www.BucktoothPelican.com). And while you are there, please leave a comment on my Guestbook! You can also join me on Facebook for daily updates. Thanks to the residents and lovers of Edisto Beach for their support.

Sincerely,

The Bucktooth Pelican™
